Dear Mr. Anderson:

On February 14, 1996 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your February 23, 1996 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-In your response you indicate that due to the merger of your committee with Hospital Corporation of America a transfer of funds from their federal and non-federal accounts was made into your federal account. Please note that the funds received from the non-federal account must be transferred into a account that is not used for federal activity. Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out. Transfers-out should be disclosed on a Schedule B supporting Line 22 of the report covering the period during which the transfer is made.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter,
please contact Vince Tallman on our toll-free number (800)
424-9530 or our local number (202) 219-3580.

Sincerely,
